Pharmacy Tech Students Experience Life at Walgreen

Pharmacy Technician students in Christina Sprunger's PH 1302, Pharmacy II class enjoyed their field trip experience to the Walgreen Pharmacy in Findlay on November 18, 2010.

Mr. Dallas Stering, RPh. talked to the students and explained the life of a prescription. Starting with the prescription being scanned and entered into the computer, through three quality checks, a drug utilization review, to ultimately given back to the patient.

Mr. Sterling also explained how the pharmacy was laid out for ultimate accuracy and efficiency.

Taking part in the field trip are (l-r), Christina Sprunger, instructor, Stephen Wireman, Meisha McClain, Justin Solkiewicz, Shanna Swartz, and Kristen Schalk.
**News You Can Use from Career Services**

### Six Steps to Getting the Job You Want

1. Set career goals—decide what you want to do and write it down in detail.
2. Assess your strengths—think about what you have to offer employers and be ready to discuss your qualifications and abilities in an interview.
3. Prepare your resume—have someone proofread it and be sure your resume is perfect!
4. Search for opportunities—look online, in the local newspapers and seek opportunities in person by networking.
5. Sell yourself in an interview—learn about the company before the interview and tell them what you have to offer as an employee.
6. Follow up after an interview—be sure to write a thank you letter and have someone proofread it before you send it.

### Club Stuff

**CJ/PL Club**

The next CCW Training will be on Saturday, December 11 at Carey conservation in Carey, OH. The fee for the 12-hour training is $90 and includes training in Pistol Operation and Personal Protection. The course fee includes all materials (books) and certification for you to send in for your license. Additionally you will need safety glasses and ear protection (plugs). You will need to have your firearm arranged before so you know what kind of ammunition to purchase.

The next meeting is Tuesday, December 14 at 12:30 and 5:30 in the Crime Lab.

**Students Helping Out**

The student clubs have been very active with community projects this holiday season. The nursing students had a classroom competition to see which class could bring in the most items for the House of Cans.

The Allied Health Club contributed funds for the Clothe A Child project. And the Vet Tech Club is collecting items for Teddy’s Rescue, a pet sanctuary in Findlay.

Congratulations students for connecting with the community.

### Things You Need to Know

**Library Information**

The library now has calculators and scientific calculators available for loan. Please see one of the Librarians for more information.

**Bookstore**

The bookstore will be closed for inventory on Thursday, December 30. Please make arrangements to purchase books/supplies on a different day.

**What to do in bad weather**

If the college would close due to inclement weather, it will be announced on one of the radio or television stations listed on the bulletin boards. Please do not call the school, it will be faster to listen to the radio or television.

**Hotel discounts**

Brown Mackie College has made arrangements with area hotels for discounts for Brown Mackie students and employees. The list of hotels may be found posted on any of the bulletin boards on campus. Or see Anne Schroeder, Director of Student Development. Please consider this as an option if you are traveling during winter weather.

**Career Fair**

Don’t forget the Allied Health Career Fair from 11:00-1:00 on Thursday, December 9.
Study Tips

• Try regular study sessions. Sometimes we wait until the last minute to study—cramming hurts more than helps.

• At the beginning of a class, lay out a schedule of how much time you are willing to give to study.

• Divide the work out over your schedule. You have a full month for your class.

• Start studying the first day. The second day, study that day’s notes really hard and review notes from the previous day.

• Keep working this plan day after day and when finals come around, you’ll be ready.

PL/CJ legal seminar

The Legal Seminar was held on campus in Rm. 188 on Friday, November 19, 2010. There were 38 students in attendance. All in attendance received several career related magazines and other materials. There were door prizes, drinks, snack, and lunch provided. The guest speaker included:

Department of Homeland Security – John Butterworth, Regional Coordinator, who spoke about Terrorism and the Dept. Bureau
Voices for Children/CASA/Gal of Hancock County – Kim Freytag-Shope, Program Manager, and Scott Thompson, BMC CJ Student and Case Manager, who spoke about the CASA Program and being an advocate
BMC Career Services – Suzanne Crouch, who spoke about job searches and updating your resume
McComb Police Department – Matt Crouch, Patrolman, who spoke about animal control since he used to work as an animal control officer for the dog warden
McComb Police Department – Chief Greg Smith, who spoke about Tasers and the Use of Force continuum in law enforcement
Hancock County Public Defender’s Office – Aaron Ried, Attorney, who spoke about working as a Paralegal and the skills needed for this type of position

All students received a certificate of attendance for their portfolio. The event began at 9:30 am and ended at 4:00 pm. Students and faculty really enjoyed this event. Legal seminars are held twice each year in the Spring and Fall.
Support For Single Parents

Tuesday, December 14
