Clubs Working Together

The Vet Tech and Surg Tech clubs held a fundraiser to provide funds to assist students with the costs of attending program conferences. The ‘tailgate party’ provided hamburgers and hot dogs with all the extras, salads and dessert.

Pictured are students serving the many hungry students, faculty, and staff. The club members were also able to wear their favorite football attire when serving the ‘tailgate’ lunch.

Please see Dr. Mike Freimoth or Joe Stevens for more information about joining either of these clubs.

Q. How is my GPA calculated?
A. Quality Points are added up and then divided by the number of credits you have attempted. See page 63 of your Academic Catalog for assignment of quality points.

Q. Do transfer credits count in my GPA?
A. No, only credits that you attempt at Brown Mackie College are calculated into your GPA.

Study Tips

• Get comfortable, but not too comfortable. When you study, you need to find a quiet spot, well lit with good air movement.

• Have a place for everything you will need—notebooks, textbooks, pens, scratch pads and more.

• Avoid trying to study in bed or laying down. A good comfortable chair and table with good posture will do wonders for your study time.
**Black History Month**

Black History Month is annually celebrated each February. Its purpose is to educate American people to the culture of African Americans and to the contributions they have made to America.

You may learn about the origin of Black History Month by viewing the short video at the following website:
