Working Together for the Community

Nursing students Alexis Daniels, Michael Atiefu, She’Tara Watkins, Sade Williams, and Candace Grant are pictured above with the “House of Cans”. The classes in the nursing program held a competition to see which class could bring in the most canned goods. The winning class received a pizza party. In addition to the student nursing competition, student clubs, faculty, and staff all contributed to the ‘house’. On Tuesday, December 7, President Wayne Korpics delivered approximately 450 lbs. of food to the Findlay City Mission.

The service projects for the 2010 holiday season did not stop with the donation to the City Mission. The Clothe-a-Child Foundation of Findlay, OH was the recipient of a check in the amount of $565 which benefits children attending Jacob’s Primary School and Washington Intermediate School. The funds were available as a result of food fundraisers by the campus Honor Society, large donations by a staff department and student clubs, as well as purchasing ornaments to decorate a Christmas tree.

In addition, the Salvation Army in Findlay received the generosity of the students, faculty, and staff of Brown Mackie College-Findlay. Twenty-five Angel Tags were removed from the lobby Christmas tree. The gifts were delivered to the Salvation Army on Friday, December 17.

Congratulations to all who participated in making a difference for area residents.
Campus will be closed on Monday, January 17 in honor of Dr. Martin Luther King, Jr.

The sixth annual Brown Mackie College-Findlay Chili Cook Off will be held in the Mack Shack on Tuesday, January 11 from 11:30-1:00 and 5:30-6:00. This event is free for students. You are welcome to come and sample the chili and vote for your favorite. The winning team will receive the traveling "chili" trophy to keep for the year.

The bookstore will be closed for inventory on Monday, January 31. Please make arrangements to have your books purchased before this date.

Things You Need to Know

Study Tips

- Use all of your senses to study. You may be a visual learner but don’t forget about your ears, mouth and nose.
- It is good to know what kind of learner you are, but don’t stop with that style. Involve your hearing—say the words out loud.
- Write your notes over again—get the body involved.
- Use a soft scent at your study place, nothing overpowering.
- Involve all your senses and you’ll naturally pick up more information.

Ask The Advisor

Q. What does it mean to be placed on Academic Probation?
A. A student is placed on academic probation when their grades and/or completion rate are below the minimum Standard of Academic Progress at their scheduled checkpoint for their particular program. While on academic probation the student will receive a letter from the Academic Dean every month in the mail; and, will be issued a pull slip to meet with an Academic Advisor. The purpose of meeting the Academic Advisor is to make sure the student is progressing in their program successfully so that at their next scheduled academic checkpoint the student can be above the minimum academic standard of progress and be taken off of academic probation. It is very important for a student's success in school to respond to the pull slip that the Academic Advisors issue.
